10% Discount for UK B Corp Certified companies

UK B Corp certified companies will receive a 10% discount on our standard corporate rates during their first year. Upon renewal, we'll complete a risk-based review before setting the renewal price.

Corporate schemes are offered on a company-funded or employee-funded basis, with a minimum of 3 employees needed for company-funded and a minimum of 100 employees needed for employee-funded.

This offer is only available to new business, or business that has not held a Simplyhealth product for 12 months. If a company were to certify following plan inception, a discount will not be offered.

Simplyhealth reserves the right to alter, cancel, or withdraw the promotion without prior notice. Any amendments to the terms of the promotion or information regarding its withdrawal will be published on our website.

To find out how we handle yours and your colleagues data, please refer to our Privacy Policy.
