

5 working days... five easy steps!

Coming on board with Simplyhealth

Think there's a lengthy, complex process to get your new health cash plan up and running? **Not with Simplyhealth!**

It's simple, all you need to do is complete, sign and return our client agreement form and employee data template.

Once we've received this information we'll allocate your scheme to a dedicated account manager who will be on hand to support you.

Our administration team will activate your scheme.

A welcome email or letter will be sent out to your employees. If there's anything you need to know about the plan, your account manager will be your main point of contact. You'll find their details in the company welcome email.

We'll provide you with easy access to the web self-serve login.
