

Simply Dental Plan

Your teeth are a window to your overall health

It's important to make sure you keep on top of your oral health by visiting the dentist for regular check-ups to spot potential problems before they get worse.

Smile with confidence

You're covered for your regular scale and polish which will help lower the chance of tooth decay, bleeding gums and gum recession - leaving them looking their very best.

It's your choice

You can claim back the costs for NHS or private treatment. It's up to you.

How does it work?

1

Book your appointment as normal, attend, and pay

2

Submit your claim and receipt online, or send it by post

3

We'll review your claim and once approved, we'll pay the money into your bank account
